GENERAL INFORMATION

Dental Beat is the official magazine of IDA Mumbai West Suburban Branch (IDA MWSB), focusing on clinical cases, reviews, and research relevant to clinicians. Contributions from IDA MWSB members and dental colleges across India are encouraged.

Distribution Information

The digital magazine is distributed free to IDA MWSB members via WhatsApp. No printed copies are available. Members must keep their contact details updated for smooth communication.

Advertising Policy

Advertisements not aligned with the magazine's policies may be rejected. Ads do not imply endorsement by the magazine or publisher regarding the product's quality or claims.

Disclaimer

Opinions in articles and ads are those of the authors and advertisers, not the Editor or Publisher. The Editor and Publisher are not responsible for the authenticity of content, patient image consent etc and authors/advertisers bear full responsibility.

Copyright Assignment

Authors assign all rights of published articles to *Dental Beat*. For inquiries, contact the Editorial Office.

From the Editor's Desk

Dear Readers,

Welcome to the April edition of Dental Beat! This month's issue brings together clinical excellence and real-world practice wisdom. From managing endodontic perforations and failed anterior aesthetics to decoding fluoride varnishes and digital scanner dilemmas—each article offers valuable insights. Don't miss our piece on financial strategies during slower clinical periods.

We're also thrilled to share the successful completion of Dental Aura 2025—a celebration of knowledge, innovation, and collaboration. Kudos to everyone who made it a memorable event!

A special thanks to our President, Dr. Amruta Wadekar, Secretary, Dr. Pratibha Shetty, and the IDA-MWSB team for their unwavering support. And, as always, deep appreciation to my co-editor, Dr. Yuga Desai, for her dedication and effort.

Thank you for being part of this journey—stay inspired and stay connected!

Warm regards,

Dr. Sorabh Rakesh Jain
